Cut the images out in strips and the covers out.

- Fold first image left to right then fold back (all images once folders should be on one side of the paper)
 - Glue down the plain side of each end to the cover.
- If you wish to make the cover more sturdy cut out thin piece of card the same size as the cover and glue cover to the card.

Cut out strip fold over first picture left to right

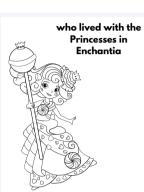

How to make a tiny book

Once upon a time there was unicorn called Sweetie...

Sweetie was also a rainbow maker in Enchantia

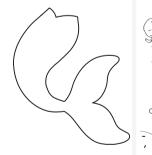

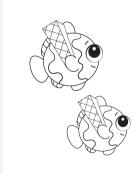

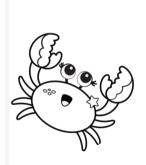

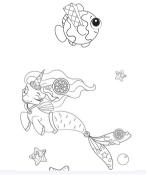

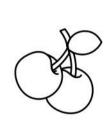

Cut out covers and fold over to make book cover
